

Discover the future of AFOs.
Technology that truly empowers movement.

Designed for Clinical Success.
Our unique approach.

**Better quality.
Better outcomes.**
Rigorously tested products that are more durable without sacrificing comfort.

SKU reduction.
All-sizes-in-one design to reduce on-hand inventory.

Fitting anywhere, anytime.
All tools needed to fit any size patient come right in the box. Just grab and go.

We're redefining how healthcare products are designed, manufactured & delivered.
